Re: *Mulligan v. 754-768 Brady Owners Corp. et al.*, 20 Civ. 7178

Your Honor:

I represent Plaintiffs in this matter. This Court previously granted my motion to withdraw as Plaintiffs' attorney. Plaintiffs requested that I withdraw when they were concerned that ongoing litigation would be cost prohibitive. However, following months of negotiation and multiple conferences with Magistrate Moses, the parties have reached a final settlement agreement. Plaintiffs have now asked me to reappear to help them finalize the settlement, including seeking final approval of the infant compromise pursuant to Local Civil Rule 83.2.

Accordingly, and jointly with Defendants, Plaintiffs respectfully request that the Court lift the stay currently in place, *see* Dkt. # 40. The parties will shortly file a form consenting to the referral of this matter to Magistrate Moses, as she has become intimately familiar with this case and is in the best position to review and approve the infant compromise order.

A material term of the settlement agreement is that the parties execute a transfer of Plaintiff Mulligan's shares in her cooperative apartment by June 30, 2021, which can happen only after the Court has approved the settlement. We will thus move for settlement approval as soon as possible.

We thank the Court for its attention to this matter.
